The world isn't ready for a rock star werewolf, but Josh Oakley can't stop biology. When his brother sends sexy wolf shaman Gerwulf to help him, instinct is too mild a word for how he feels. Gerwulf calls to his animal in a way that defies logic.

Gerwulf knows Josh is his mate the moment they meet, but he doesn't like guys and he doesn't intend to bond with anyone. He'll help the musician control his wolf, but getting too close isn't his intention. Besides, he wouldn't know what to do with a man in his bed.

Of course, shifters can't dodge fate—a crisis forces Josh and Gerwulf to accept their connection just in time to save Forst Pack from an old enemy. When biology ties them together beyond even a mating bond, will they be able to move past their fear and into a future that holds more than they ever expected?
