Claddagh Pool Denis Hearn

The body of the Bishop of Galway is discovered floating in Claddagh Pool. Detective Conor Horgan arrives at the scene where his investigation reveals the shadowy world of a secret group bent on retribution and justice for victims of abuse in the Catholic Church. He teams up with reporter Anne O’Gorman, and together, they pursue the case and each other. The Catholic Church in Ireland is at the epicenter of a scandal revolving around pedophile priests who practice their perversion undaunted by the glare of media, the silence of the Vatican, and even the bureaucratic red-tape of government agencies charged with protecting the innocent. Finbar, haunted by memories of abuse when he was an altar boy, turns to a group called Dies Irae for emotional and legal help. Stymied by inaction and cover up, the group ultimately turns to violence and murder as their only recourse. This timely and fast paced thriller is set in the harsh environment of western Ireland, where the innocent become suspect. Skillfully written with an intricately interwoven mix of characters, Claddagh Pool takes us on a page turning adventure. This story will plunge you back into the Ireland we all love. We follow Conor and Anne and their passion through landscapes dotted with wild sheep, the wind swept barren rocks of the Twelve Bens, and the stone-walled roads of Connemara as they expose the evil deeds of a few and give hope to those who are left behind.

From reader reviews:

Raymond Custer:

What do you ponder on book? It is just for students because they are still students or the item for all people in the world, what best subject for that? Simply you can be answered for that question above. Every person has diverse personality and hobby for every single other. Don't to be pressured someone or something that they don't want do that. You must know how great and important the book Claddagh Pool. All type of book can you see on many methods. You can look for the internet resources or other social media.

Rafael Arent:

What do you concerning book? It is not important with you? Or just adding material when you need something to explain what the ones you have problem? How about your free time? Or are you busy person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They have to answer that question due to the fact just their can do this. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need this Claddagh Pool to read.

Anthony Rodriguez:

Reading a reserve can be one of a lot of exercise that everyone in the world loves. Do you like reading book therefore. There are a lot of reasons why people like it. First reading a reserve will give you a lot of new info. When you read a guide you will get new information since book is one of many ways to share the information or their idea. Second, reading a book will make a person more imaginative. When you examining a book especially fiction book the author will bring you to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this Claddagh Pool, you may tells your family, friends as well as soon about yours publication. Your knowledge can inspire the mediocre, make them reading a guide.

Matthew Gregg:

This Claddagh Pool is great publication for you because the content which can be full of information for you who have always deal with world and have to make decision every minute. This specific book reveal it details accurately using great organize word or we can point out no rambling sentences inside it. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with beautiful delivering sentences. Having Claddagh Pool in your hand like finding the world in your arm, facts in it is not ridiculous a single. We can say that no reserve that offer you world in ten or fifteen second right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. occupied do you still doubt that?
