Some plain statements on some of the weightier matters of Christianity. By far one of JC Ryle's best talks. A topic deserving our full attention. What does God say? This is a great read for every Christian. A good book to pass on to those who are searching for an answer to life's biggest question, are you among the living, or among the dead? As Ryle says: He is your best friend who tells you the most truth We are fortunate that JC Ryles' writings live on. Not only was he sound in the major doctrines, but his writings still speak today, not just to the "seasoned saints," but to younger Christians as well.
