## **Poems of Love and the Sea: 21 Poems Chap Book** Gloria Gay

In this small collection of poems, Gloria Gay expresses her thoughts about love and the sea collected through the years on her walks along the sea in her home town of Imperial Beach, California, where she has spent the greater part of her life, with her husband and family. Gloria is awed by the power, magic and allure of the sea in its many moods and feels the pull of the ocean as it beats eternally along the shores of the world.
