The Marriage Recital: A Novel Katharine Grant

"Extremely impressive . . . A wonderful read from a born storyteller." -Chris Cleave, *New York Times* bestselling author of *Little Bee*

The setting: London, 1794.

The problem: Four *nouveau riche* fathers with five marriageable daughters.

The plan: Give the young women piano lessons. Present them at a concert performance for young Englishmen with titles but no fortunes. Marry off the daughters-*very* well, indeed.

The complications: The lascivious (and French) piano teacher; the piano maker's jealous (and musically gifted) daughter; marriageable daughters with mating plans of their own.

While it might be a truth universally acknowledged that a man in possession of a title and no money must be in want of a fortune, what does a sexually awakened young woman want? In her wickedly alluring romp through late-Georgian London, Italian piano-making, and tightly fitted polonaise gowns, Katharine Grant has written a startling and provocative debut.
