## Velocity [Hardcover] [2005] (Author) Dean Koontz

Hard cover edition of Velocity by Dean Koontz. The story of a caring bartender who finds a note on his windshield after work, that pulls him into a killers plot, and leads him hurrying to save innocent people, that he can't even identify, from being killed by this heartless killer. The notes tell him he has a choice of taking the note to the police, & he will kill a blonde schoolteacher, or if he doesn't an elderly woman active in charity work will die.His choice. He has six hours to decide. This is a very good, intense mystery that keeps you on the edge of your seat, but you can't put it down. This story by my favorite author is a duplicate I received as a gift. I only need one copy.
