**Counseling Strategies and Interventions (5th Edition)** Sherry Cormier, Harold Hackney

This highly readable, pragmatic book focuses on basic counseling skills and strategies within a multicultural context. This concise book also provides an orientation and introduction to the helping process and the counseling profession. Current issues within the counseling profession, such as diversity and multiculturalism, are discussed and integrated throughout the book. A unique focus is given to the student's growth and development as a counselor and how the student can best use supervision in this developmental process.
