Our possessions can create unbearable weight and affect our ability to serve and thrive. How do we defy gravity and find freedom? In this 4-week small group study and stewardship campaign, pastor and author Tom Berlin explores what is required to sustain a vibrant life, what we need versus what we want, and what we can do to avoid being pulled into the orbit of materialism.

The DVD features Tom Berlin introducing friends who tell stories of how generosity has changed their lives. These inspiring “Generosity Moments” provide a tone and context for group discussion about giving from a life of discipleship and a full heart. Video sessions are approximately 7-9 minutes each and are closed captioned.
