## **International Financial Management.** Jeff Madura

This second edition of Madura and Fox's "International Financial Management" provides the ideal introduction to the subject of international finance. It combines the fundamentals of international financial theory with current, practical applications and provides thorough, up-to-date treatment of cutting-edge issues alongside coverage of the more traditional aspects of the subject. New to the second edition: higher level maths appendices for advanced learning; new coverage of the international aspects of the global financial crisis; and, wider variety of international examples and currencies.
