Throughout her entire life, Ella has heard voices. Voices inside her head. She's never given much thought as to why she has this gift... or this curse, depending on which way you look at it. It's not until she meets the mysterious Jonah that she begins to question her inherited abilities as a Soul Seer. Learning to deal with loss and love, Ella manages to live a seemingly normal life... or so she thought.

Jonah has never experienced a woman more stunning than the beauty that haunts his dreams. Making his way through life, Jonah's love of art becomes his outlet. His talents prove to be the only way to recreate his dreams. Her beauty is his constant.

In life, a happy ending is something you only find in chick flicks. Yet no matter how often they are left with disappointment and struggle, Ella and Jonah still strive for their happily ever after.
