Web of Lies

Larry A. Winters

Web of Lies Larry A. Winters

Losing the trial is just the beginning...

When criminal defense attorney Dylan Wood returns from a defeat in the courtroom, he thinks the worst is over. His client will go to prison, and Dylan will move on. But he learns the hard way that not every client is willing to accept the judgment of his peers. Suddenly Dylan has twenty-four hours to overturn the guilty verdict. If he fails, a ruthless, sexy woman who gives new meaning to the term *femme fatale* will go public with the dark secret of Dylan's own past, destroying his life and those of everyone he loves.

This time Dylan is defending himself, and he'll do whatever it takes to survive—even if it means breaking the laws he's sworn to uphold.

Web of Lies is a standalone thriller, set in the same Philadelphia legal world as the *Jessie Black Legal Thriller* series. (Although prosecutor Jessie Black appears in the story, she is not the main character.) If you like gritty crime stories, vividly-drawn characters, and surprising twists and turns, you'll love Larry A. Winters's page-turning story of justice gone crazy.

Buy *Web of Lies* to experience this nail-biting legal thriller today!

From reader reviews:

Lorraine Prinz:

What do you concerning book? It is not important together with you? Or just adding material when you really need something to explain what the ones you have problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Every individual has many questions above. They need to answer that question mainly because just their can do which. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on kindergarten until university need that Web of Lies to read.

Anna Vinci:

The reason? Because this Web of Lies is an unordinary book that the inside of the e-book waiting for you to snap this but latter it will jolt you with the secret this inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this any longer or you going to regret it. This unique book will give you a lot of benefits than the other book have got such as help improving your ability and your critical thinking means. So , still want to postpone having that book? If I were being you I will go to the reserve store hurriedly.

Michael Canton:

The book untitled Web of Lies contain a lot of information on that. The writer explains your ex idea with easy approach. The language is very straightforward all the people, so do not necessarily worry, you can easy to read it. The book was written by famous author. The author will bring you in the new era of literary works. It is easy to read this book because you can please read on your smart phone, or gadget, so you can read the book throughout anywhere and anytime. If you want to buy the e-book, you can available their official web-site as well as order it. Have a nice read.

Angela Babb:

Many people spending their time period by playing outside using friends, fun activity with family or just watching TV the whole day. You can have new activity to invest your whole day by looking at a book. Ugh, ya think reading a book really can hard because you have to accept the book everywhere? It fine you can have the e-book, bringing everywhere you want in your Mobile phone. Like Web of Lies which is obtaining the e-book version. So , try out this book? Let's observe.
