Where the Heart Is

Elizabeth Lowell

Where the Heart Is Elizabeth Lowell

Safe

After the pain of betrayal and divorce—after years spent decorating other people's houses—Shelley Wilde's cherished dream has finally come true: a home all her own, where she can live happily, secure. . .and alone.

Wild

But Cam Remington has come to shatter her solitude. A traveler who has journeyed to the world's wildest places, a renegade with no roots and no shame, he is everything Shelley has ever feared-and desired-in a man.

Free

An intruder has broken through Shelley's barricades to lure her wounded spirit out of hiding with his electric sensuality. And it will take a traveling man to show her that real love is risk and danger. . .and that home is the haven found in a lover's embrace.

A captivating contemporary love story in *Where the Heart Is*, bestselling author Elizabeth Lowell revisits and expands upon *Traveling Man*, one of her most beloved classic novels. It is an unforgettable tale that brims with the passion and magnificent artistry that have become her trademarks.

Scott Smith:

Reading a e-book tends to be new life style with this era globalization. With examining you can get a lot of information that may give you benefit in your life. Along with book everyone in this world could share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire their own reader with their story or their experience. Not only the story that share in the books. But also they write about advantage about something that you need illustration. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors these days always try to improve their expertise in writing, they also doing some research before they write with their book. One of them is this Where the Heart Is.

Michelle Oquinn:

As a pupil exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that reading through is not important, boring along with can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Where the Heart Is can make you really feel more interested to read.
