The Citadel tower stands in ruins, while hundreds lie injured or dead. On distant Earth, a powerful madman prepares to seize control of the lightrail, in a move that will change the fate of humanity and the Esool alike.

All hope rests with a new species—represented by a young boy with unknown intentions and unlimited power. Will he be the savior of the colonies, or just speed up their destruction?

As one story ends, a universe of possibilities begins. Citadel and her crew become the pivot point of events that will echo throughout the universe, and history, for centuries to come.
