## **Date Knight** Bridget Essex

Once, there was a librarian, a warrior woman, and a love story that was out of this world...and now they're back in an all-new adventure! Holly would never have believed that the gorgeous woman who appeared in her backyard one magical night (wielding a sword) would turn out to be the love of her life--but the lady knight Virago is exactly that. Virago and Holly are madly in love, and Virago is still learning the ways of our world (and becoming slightly addicted to coffee). But as much as Virago loves Holly, she can't forget the world she came from. One night, another massive storm descends on Boston, and this time, four new women appear in Holly's backyard, each one of them wielding a sword. They are close friends and fellow knights of Virago, but they're not here to visit. They have come through the portal to ask Virago back one last time. The queen of Virago's beloved city is in danger and needs Virago's help. Holly is a librarian who always wished magic was real. And now, her new girlfriend is going to take her to another world. With an assassin on the loose and an evil king out to get the queen, what could possibly go wrong? DATE KNIGHT is a light-hearted, fantastical romance that will take you on a journey you'll never forget. It is a sequel to A KNIGHT TO REMEMBER.
