Isabella Foxworthy was just another girl...until she learned she was an empath, able to read the energy of others. A secret world known as the Violet City lies beneath her family's hotel in Los Angeles. Through this discovery, Isabella is catapulted into a whirlwind of magic, adventure, and danger. The Violet City holds the key to protecting her stability; her family hotel, her friends, and her very sanity. With morphlings, empaths, and fair folk also comes a powerful entity that twists her mind into knots, threatening everything she loves. Now, Isabella and her new friends—a guitar-playing jock, his gifted but neurotic brother, and a set of over-indulged twins—have until her 16th birthday to save her world with the help of someone who's been lost for a very long time...the lost Foxworthy heir. But will they find him in time? And will he be a friend or foe?
