Black Sabbath: A View From The Fans Edward W. Baggett

You have that concert stub torn. You are among your brothers and sisters. The other fans that like you might have sometimes felt they were the only ones. The house lights go down as the stage lights take over. Now what do you see? That is the question answered in this unauthorized visual history. This piece examines how the various line ups came into sight. And how fans saw these masters of rock on stage. By the accounts of their various concert memories. Also for the time in book a detailed database of all known video recordings of the band. Illustrated by photos spanning all eras. Taken by many of the fans world wide. This deluxe edition is in full color with pages of additional photos and content.
