## **Kill Order** Charlie Flowers

Rizwan Sabir is back. And this time the battle is personal. An ex al-Qaeda jihadi, Riz is now a fixer for a shadowy branch of the Ministry of Defence. He has teamed up professionally and romantically with Holly "Bang-Bang" Kirpachi - a hard-bitten girl gang leader. Their marriage was set to be the social event of the season. Until the wedding celebrations were interrupted by a series of murders in the East End of London. Someone is copying Jack the Ripper with a new spate of gruesome killings in Whitechapel. Riz and Bang-Bang are assigned to the case - but this is no easy mystery to crack. Can they catch the killer before he strikes again? Or are there other, darker forces at work? 'Kill Order' is an exciting police-procedural, techno-thriller that brings vividly to life both the new and the old East End. It is the third explosive instalment of the Riz Sabir series. Kill Order was originally published as 'Blood Honeymoon'.
