A man searching for salvation.

A woman who can deliver it.

Will he recognize the priceless gift she gives him?

Vince is like a category five hurricane. He takes no prisoners. Now he is focusing all his energy on one woman.

Sexy and arrogant investigative reporter Vince Knight lives dangerously. In fact, he craves danger and trouble always finds him. When he goes in search of a missing artifact, he finds a priceless gem—a woman he can't have. Or can he?

Art historian Jade Fitzgerald can tell a fake from a mile away. Fake artifacts, that is. But the smoldering attraction between her and Vince is definitely the real deal. So when he asks her to give him one night, Jade is intrigued. Little does she know Vince is playing for keeps, pulling her deeper into his dangerous world.

A missing artifact brings them together. Something more powerful will make them stay.

FROM THE AUTHOR:

To my fans, thank you for your support. You have stayed with me through bad editing and revamped covers. Without you, this series would not have become this popular. Expect more Fitzgeralds soon. I will always strive to publish polished books and that's why I let go of my former editor and have a new editor...

hugs
