Living Loud: Defending Your Faith (Truthquest) Norman Geisler, Joseph Holden

Why a Christian apologetics book for high school students? Norman Geisler and Joseph Holden contend it is "because American high school students are on the front line of the spiritual war between persons who worship God and those who seek to cultivate a world apart from God." Students are being attacked on every flank—through movies, music, television, friends, and, yes, even in the classroom where a Judeo-Christian worldview is presented as antiquated, if presented at all. Now, more than ever, young Christians need to be prepared to defend their faith against the onslaught of lies and humanistic propaganda that so saturates our culture today. Authors Geisler and Holden lay a firm foundation so every student can feel bold and confident in defending their faith.
