THE EVILS OF 9-11 REVISITED 10 years ago, on the brilliantly sunny morning of Sept. 11, 2001 mass murderers the sickest and most evil psychopaths among the human race unleashed a reign of terror that would ultimately kill nearly 3,000 innocent citizens. As Americans watched these horrors unfold on their television sets, they were subjected to an occult, magical rite that would severely traumatize them and forever transform our nation. As sirens wailed, fires burned, people screamed and television newsmen riddled their viewers with alarm, those who orchestrated this sacrificial slaughter reveled in the paranoia and carnage. As blame for these attacks was quickly placed on Osama bin Laden and 19 Muslim hijackers, the actual plotters Talmudic exterminators and their neo-con political sycophants peered from the shadows as horrified jumpers leaped to their deaths from the World Trade Center towers and splattered on New York City's streets. Shortly thereafter, these two 110-story skyscrapers were swallowed directly into the Earth by energy sources as powerful as the Sun. Ground Zero, in its original interpretation as the spot of a nuclear explosion, had been born. The monstrous aberrations responsible for these crimes against humanity mutilated and desecrated our security. Certainly 9-11 was an inside job, but it was also an outside job as well. The ravenous dogs that assaulted USS Liberty crewmembers in 1967 now unleashed without a trace of conscience their cesspool of bloodlust on America's own homeland. On that fateful morning, pandemonium ran rampant through every neighborhood. People wondered rightly so if WW III had begun? After the Pentagon our military nerve center was purportedly rendered ineffective against this onslaught, what target would be next? Television sets cast incantations and demented spells over every viewer that sat transfixed, frozen with fright. In a state of primal fear, these cabalistic sorcerers and propagandists actually took possession of the victimized masses. At this precise moment, brainwashing, trauma programming and psychic driving would reach its height of effectiveness. More sirens, flames, controlled demolitions, hellish smoke, terror alerts on every channel and mounting death counts. The world had changed, and we could never return to where we once were. Like vermin-infected rodents carrying toxic poison in their DNA, the 9-11 architects created this Pearl Harbor grand illusion to lay a foundation for even more lies, i.e. wars in Afghanistan and Iraq where killing-field corpses would be stacked by the thousands. 9-11 Evil . . . 10 years ago the spiritually malignant blackness of this Made in Israel false-flag attack stole our family's lives and savaged our country's collective mindset. They are destroyers, vipers of an inhuman species, and we will never forget what they've done to us.
