Maiden, Mother, Crone: The Earth Goddess Trilogy Janys Nighthawk

Enjoy the entire trilogy in one book! Growing up in the 60s, Bridget starts life taking care of her family, but she's adored at school for her occult knowledge and giving good advice. Sure she can do telekinesis, but her real gift is listening and helping friends answer the most important questions. High school ends a little early for Bridget when she finds out she's pregnant, but she gets to love her daughter and eventually go to college. In the meantime, her esoteric skills keep coming into play. Despite her bumpy, yet fairly normal outer life, her underground life is more exciting. Fate makes her a shaman, a Reiki Master and a witch, though in the end, she prefers to be the healer and Earth Goddess she was born to be.
