## **Shah of Shahs** Ryszard Kapuscinski

In **Shah of Shahs** Kapuscinski brings a mythographer's perspective and a novelist's virtuosity to bear on the overthrow of the last Shah of Iran, one of the most infamous of the United States' client-dictators, who resolved to transform his country into "a second America in a generation," only to be toppled virtually overnight. From his vantage point at the break-up of the old regime, Kapuscinski gives us a compelling history of conspiracy, repression, fanaticism, and revolution. Translated from the Polish by William R. Brand and Katarzyna Mroczkowska-Brand.
