The Fire Fighter

Mia Hart

The Fire Fighter Mia Hart

Gemma is a young British student, on a gap year from University. She embarks on a wild trip across America with her two best friends, Mikki and Sasha. All are beautiful, single, and living the time of their lives.

On the very first day on their travels, they stumble across a cool, trendy bar, where Gemma quickly finds herself wooed by John — a local fire fighter.

John is a super-hot, sexy young man who swiftly melts Gemma's heart.

A passionate night ensues back at the hotel where the girls stay. This could be one fire that's hard for John to put out, much to the delight of Gemma who burns for this American stranger.

Another delicious and sexy short story from Mia Hart.

From reader reviews:

Kathleen Allen:

Information is provisions for those to get better life, information these days can get by anyone at everywhere. The information can be a understanding or any news even a huge concern. What people must be consider if those information which is inside former life are difficult to be find than now's taking seriously which one would work to believe or which one the actual resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take The Fire Fighter as the daily resource information.

Percy Cole:

Beside that The Fire Fighter in your phone, it may give you a way to get closer to the new knowledge or details. The information and the knowledge you may got here is fresh from your oven so don't end up being worry if you feel like an previous people live in narrow community. It is good thing to have The Fire Fighter because this book offers to your account readable information. Do you occasionally have book but you seldom get what it's all about. Oh come on, that would not happen if you have this inside your hand. The Enjoyable arrangement here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss it? Find this book and read it from now!

Alan Malbrough:

With this era which is the greater particular person or who has ability in doing something more are more valuable than other. Do you want to become among it? It is just simple solution to have that.
