Promises in Death

Amaryllis Coltraine may have recently transferred to the New York City police force from Atlanta, but she's been a cop long enough to know how to defend herself against an assailant. When she's taken down just steps away from her apartment, killed with her own weapon, for Eve the victim isn't just "one of us." Dallas's friend Chief Medical Examiner Morris had started a serious relationship with Coltraine, and from all accounts the two were headed for a happy future together. Eve starts questioning everyone, including Coltraine's squad, informants, and neighbors, while Eve's husband, Roarke, digs into computer data on the dead woman's life back in Atlanta. To their shock, they discover a connection between this case and their own painful, shadowy pasts.

Kindred in Death

When the newly promoted captain of the NYPSD and his wife return a day early from their vacation, they are looking forward to spending time with their bright and vivacious sixteen-year-old daughter, who stayed behind. Not even their worst nightmares could prepare them for the crime scene that awaits them instead. Deena has been brutally murdered in her bedroom, and her body shows signs of trauma that horrify even the toughest of cops, including our own Lieutenant Eve Dallas, who is specifically requested by the captain to investigate.
