## **The Reef** Edith Wharton

"I put most of myself into that opus," Edith Wharton said of *The Reef*, possibly her most autobiographical novel. Published in 1912, it was, Bernard Berenson told Henry Adams, "better than any previous work excepting *Ethan Frome*."

A challenge to the moral climate of the day, *The Reef* follows the fancies of George Darrow, a young diplomat en route from London to France, intent on proposing to the widowed Anna Leath. Unsettled by Anna's reticence, Darrow drifts into an affair with Sophy Viner, a charmingly naive and impecunious young woman whose relations with Darrow and Anna's family threaten his prospects for success.

For its dramatic construction and acute insight into social mores and the multifaceted problem of sexuality, *The Reef* stands as one of Edith Wharton's most daring works of fiction.

### From reader reviews:

#### Annette Carroll:

Why don't make it to be your habit? Right now, try to ready your time to do the important act, like looking for your favorite reserve and reading a book. Beside you can solve your problem; you can add your knowledge by the book entitled The Reef. Try to face the book The Reef as your pal. It means that it can being your friend when you sense alone and beside that course make you smarter than before. Yeah, it is very fortunated in your case. The book makes you more confidence because you can know every thing by the book. So , we need to make new experience in addition to knowledge with this book.

#### Robert Caldwell:

The book The Reef can give more knowledge and also the precise product information about everything you want. So just why must we leave the good thing like a book The Reef? A number of you have a different opinion about e-book. But one aim that book can give many information for us. It is absolutely right. Right now, try to closer with your book. Knowledge or facts that you take for that, it is possible to give for each other; you can share all of these. Book The Reef has simple shape however you know: it has great and large function for you. You can appearance the enormous world by wide open and read a guide. So it is very wonderful.

#### Marylouise Potter:

This The Reef is great reserve for you because the content that is certainly full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it info accurately using great plan word or we can say no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only offers you straight forward sentences but hard core information with lovely delivering sentences. Having The Reef in your hand like finding the world in your arm, info in it is not ridiculous one particular. We can say that no e-book that offer you world with ten or fifteen small right but this book already do that. So , it is good reading book. Hey there Mr. and Mrs. stressful do you still doubt this?

#### Christopher Evan:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to get complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this The Reef can make you experience more interested to read.
