## **Vientos marinos (Spanish Edition)** Rafael Granizo

Vientos marinos nos adentra en un mundo de sentimientos donde las experiencias vitales de los personajes, les conduce a una soledad consentida y aceptada y, donde el mar, se convierte en un protagonista más que acompaña y está presente de forma constante en sus vidas. Elsa y Pierre abocados a su unión en la madurez de sus vidas, nos van introduciendo en una trama de sucesos que van a ir despertando el interés del lector. Los acontecimientos del pasado van a marcar de forma irremediable el presente y, el futuro, sólo cobrará sentido desde la verdad y el amor. Tragedia y misterio se combinan con poesía y ternura de forma maravillosa en este relato que es un canto a la esperanza. "...y cuando la angustia se instale en tu interior, llora, pero no decaigas porque siempre llegará alguien que seque tus lágrimas."
