Conscious Curiosity: Communicating to Connect is a book for contemporary couples that are serious about reaching new levels of understanding in their relationship through the art of conversation. The content is designed to help couples develop intimate communication and collaboration skills through the process of asking questions. Not simply a few questions, but hundreds of questions. The questions are outlined in a manner to help initiate conversations for pressing issues as well as ordinary daily stuff. Continued use of the skills offered in this book will help couples sustain listening, daily talking, information sharing, dreaming about a better future together, deeper understanding, and increasing the feeling of intimacy within their relationship. Basically I am promising you a better life! Are you ready to use a tool called: conscious curiosity? Are you ready to create conversation and connection with your life partner?
