## Michael Connelly CD Collection 3: The Poet, Blood Work Michael Connelly

### ***The Poet***

Our hero is Jack McEvoy, a *Rocky Mountain News* crime-beat reporter. As the novel opens, Jack's twin brother, a Denver homicide detective, has just killed himself. Or so it seems. But when Jack begins to investigate the phenomenon of police suicides, a disturbing pattern emerges, and soon suspects that a serial murderer is at work?a devious cop killer who's left a coast-to-coast trail of "suicide notes" drawn from the poems of Edgar Allan Poe. It's the story of a lifetime?except that "the Poet" already seems to know that Jack is trailing him.... Here is definitive proof that Michael Connelly is among the best suspense novelists working today.

### ***Blood Work***

Thanks to a heart transplant, former FBI agent Terrell McCaleb is enjoying a quiet retirement, renovating the fishing boat he lives on in Los Angeles Harbor. But McCaleb's calm seas turn choppy when a story in the "What Happened To?" column of the *LA Times* brings him face-to-face with the sister of the woman whose heart now beats in his chest. From her, McCaleb learns a terrible truth: that the donor of his heart was not killed in an accident, as he'd been told, but was murdered. Wracked with guilt over the fact that he's alive because another human being was killed, McCaleb embarks on a private investigation of his donor's murder?a crime as horrific as anything he ever encountered as a serial killer investigator for the FBI.
