Is there a narcissistic mother on the rampage in YOUR life?

Extremely self-centered, narcissistic mothers can make life a living hell for the children who are forced to deal with them. It often doesn't matter if the child is three-years-old or sixty-three, the narcissistic monster mother can demean, criticize, embarrass, abuse, violate, hurt, neglect, cause havoc and/or just plain be mean to their own children - children who are often so starved for their mother's love, affection and acceptance, that they will lose their true selves in the process.

What's more, it doesn't seem to matter what country a person is from, life-sucking narcissistic monster mothers can be found in any culture and/or any language.

This ebook is an anthology of three separate authors' stories of the narcissistic mothers in their lives. All of them are daughters of narcissists - one is from the U.S., one is from the U.K., and the turmoils of the final author came while living in various locations within Europe. If you have a mother who torments you with her narcissistic ways, these ladies have written their stories for you to show you that you are not alone.

Compare their stories with yours and see how they may differ, yet are probably so similar in so many ways. Finally, see if the advice and actions that these three daughters offer from their experiences may make sense in your own situation with the narcissist in your life.
