All I wanted was an internship. I never thought I'd end up dating a billionaire. Penelope Wells is about to start her last semester in college and dreams of working at a large tech company in San Francisco. When her best friend and roommate, Nicolette, scores her an internship interview at RandomMeetX, a multibillion-dollar singles app, she couldn't be more thrilled. But when she goes in for her interview, her life changes forever. Blake Hunter is the CEO of RandomMeetX and a misogynistic billionaire who craves control and power. When he sees Penelope in his building, he's strangely mystified, even though she isn't the plastic type he usually goes for. After all, she's a plain Jane and his usual type is pumped full of silicone. He proposes something to Penelope that she knows will change the course of her future. All her needs will be taken care of—if she takes care of all of his. With her bank account running low, she agrees, but quickly finds out Blake's needs involve handcuffs, blindfolds, and lots of handprints on her ass.
