## **Breaking the Devil** Bailey Bradford

Mack has a fight ahead of him if he wants to break the red-haired devil who has haunted him for so long... Mack Wilson gave his heart and virginity to the only man he swore he'd ever love. Justin threw that love back at him a day later, mocking Mack and his feelings. Mack never got past it, or Justin's abandonment. Justin left the day after he and Mack made love, and over a decade later, Mack gets the shock of his life when he's watching a wild, beautiful, untamed red stallion throw a hell of a hissy fit in the corral. The horse reminds him of Justin. Mack is still raw from the pain, never having gotten past it. Then Justin is there, ripping away the bandages of their past and pulling all the hurt and anger out of Mack, refusing to let Mack run him off. Refusing to let Mack go. Mack hates Justin—doesn't he? Or will he listen to Justin and give a chance to try to make amends? Can he make amends, when there's someone waiting to tear them apart—again?
