**Mentorship!** What picture comes into your mind? It is a very hot topic in the church today, but clear teaching is lacking. In this series, you will not only find out what the role and purpose of a mentor is, but you will see the heart that is required!

For indeed mentorship is not just about imparting knowledge, but about being a vessel for the Holy Spirit. So that He can flow through you to mold and shape your disciple. Mentorship costs a price, for both the mentor and disciple, but it is what will bring fruit that truly remains.

God is raising up His Mighty Warrior, and if you want to be on the front lines of equipping God's people, this series will show you how!
