HIGHLY POPULAR O.T. COMPANION - THE MOST PRAISED AND RECOMMENDED VERSION BY BIBLICAL SCHOLARS FOR YEARS. The most important value of this book is the large quantity of additional detail it gives to various accounts in the Old Testament than our current translations. For instance the translator states in his preface: This book contains a more detailed account of the awful circumstances attending the commencement of the flood and of the conduct of Noah toward the terrified multitude who had assembled about the ark when the fatal moment had arrived and their doom was irrevocably fixed. . . . Connected with this period of the history is given an account of Nimrod; in which is strikingly depicted the arbitrary and violent character and conduct of his government. . . . From this book we learn that Noah and Abraham were contemporaries. How beautiful the contemplation of the meeting between these two Patriarchs the one being a monument of God's mercy the other having the promise of the favor and grace of God not only to himself but to his seed after him. . . . The history of Joseph has always been considered one of the most admirable and interesting on record. Following the preface of the book are certificates of endorsement from four noted religious scholars of the day their statements all dated in April 1840 the year it was first published each one giving his endorsement to the correctness and reliability of the translation.
