You've always known it was possible...now you can learn exactly HOW to create your reality.

We live in a universe that actually wants you to 'have it all'. But if you've been frustrated in your attempts to apply the law of attraction, then here at last is the missing key.

'The Map' doesn't just tell you what is possible in this life, it shows you, step-by-simple-step, exactly HOW to get from Point A (where you are) to Point B (where your greatest heartfelt dreams are found).

Learn how to:

- Uncover your true dream-not just the one you may have 'settled for' over the years
- Identify, root out, and reprogram the limiting beliefs that have been holding you back
- Know when-and how-to take action on your dreams (because taking action is the one step most 'dreamers' never get to)
- Tell whether your desires are manifesting, or not. And if not, understand why not - and change it
- Be happy, no matter what-and never again be tossed around by unexpected pot-holes along the road of Life

??? The Map was written by someone who actually did it

This author knows more than theory. She has applied every single word to her own life, and transformed it from poverty to abundance, loneliness to love, and failure to success. She did the hard work so you don't have to.

??? She created abundance - you can too

What other author out there has taken \$50 and used the law of attraction to create a \$5 million company, without investing another dime?

??? She created love - you can too

After finding herself divorced mid-life, Boni went to work to discover WHY she created that reality and what she needed to do to create solid, committed and lasting love. She married her 'dream come true' in Fiji in 2010. "If you can imagine it," she says, "you can create it."

If you are serious about creating YOUR dream come true, get started today.
