**The Merchant of Venice Gareth Hinds**

**With elegant, contemporary artwork and a faithful but succinct adaptation, this graphic novel casts a classic drama in a provocative new light.**

Here is the tale of young Bassanio, who, to win the love of fair Portia, entangles his dearest friend, Antonio, in a dangerous bargain with the moneylender Shylock. Only Bassanio's heartfelt efforts — and a clever intervention by Portia — will save Antonio from paying Shylock "a pound of flesh." Moody and mesmerizing, this graphic novel adaptation of one of Shakespeare's more controversial plays boasts a chic modern cast, high drama, and all the dark, familiar beauty of Venice.
